Title: Report on “Tree Plantation”

Date: August 25, 2022, 09.00 am onwards.

Venue: Ambarnath

Conducted by: Mr. Premgishnu Raza and Prof. Pravin Nikam

Introduction:

On August 21, 2022, a Tree Plantation program was conducted Ambarnath by NSS department for betterment of society and creating awareness among students as well as in society. The tree plantation aimed to provide value of trees to students and how it will fruit full for society. Around 25 students actively attended activity.

Objectives:

- Economic Benefits Planting trees not only provide toxic-free air but also help economically
- Trees are the source for the production of wood structures, resin, rubber, honey, fibre, etc
- Trees provide economic support for humans as they are the source for many industries.
- the purpose of tree plantation is to save the endangered environment and to beautify our life
- Only our planet has got the name 'blue green planet'. We should safeguard it.

Conclusion: Tree plantation program at Ambarnath, with Rotary Club of Ulhasnagar proved to be a significant success in guiding students towards importance of plantation. It is create sense of awareness in student to plant one tree every year.
