### Memorandum of Understanding (MOU)

श्री. सी. टी. आंबेकर

Between St. Paul college located at Behind VTC ground, Nr. Ganpati Mandir, Ashelepada, Ulhasnagar-421004 and Career Jyoti Education, located at shop no.2, Krishna Villa Building, Ulhasnagar-421004, India.

This Memorandum of Understanding (MOU) is signed in Between St. Paul college and Career Jyoti Education, Thane on 01/12/2020

#### Why this MOU?

There are various Computer educational services for Commerce, Science and Arts students which are mentioned –

- Personality development
- IQ test exams
- Hardware and Networking
- Web designing
- Tally ERP

## Responsibilities of Career Jyoti Education –

- **Career Jyoti Education** will conduct the seminar to do initial publicity of the module and will explain every point to all students.
- **Career Jyoti Education** Team and trainer will be responsible for delivery of the project within 30 hours.
- St. Paul College and **Career Jyoti Education** will maintain the attendance and feedback for the same.
- Test paper and content for the seminar will be prepared by **Career Jyoti Education** Team.
- Technical Support and online portals will be provided.

## Responsibilities for college management –

- College needs to support us for the finalization of dates and time for the seminar.
- College will help us to reach the maximum number of students for getting a positive response for the module.
- College will take periodic feedback from the participants.

## Financial Management –

**Career Jyoti Education** is ready to conduct this program at a reasonable cost as decided for individual courses, under our CSR banner for the creative upliftment of the student community.

**Career Jyoti Education** will handle all expenses related to online portals, faculties and other expenses.

## Duration of this agreement

This arrangement will be effective from the date and month/ year as mentioned above for a period of 12 months from the effective date unless terminated by either party by giving one month notice in lieu of notice period.

**Career Jyoti Education** will not claim any tenancy right from College during the tenure of this MOU or at any time in future.

**Career Jyoti Education** Team will maintain the privacy of the data and information about the college and vice versa.

We are expecting exclusivity for this MOU from college management for the academic year.

Any controversy or claim arising out of or relating to this Agreement including any dispute as to its existence, subsistence, interpretation, validity or breach thereof, shall be settled by arbitration by a Sole Arbitrator acceptable to both the parties.

There are so many students who are not aware about these exams and they are thinking about going ahead with all the exams. They are not finalizing the sectors and also not finalizing their strategy plan.

This MOU will help all students to understand the technical things in a proper manner. And will also help with the following points.

1. This MOU will allow both Parties to educate the students about Computer education and their structure in the early days.
2. This MOU will allow both parties to create a well defined flow of students for various Computer educations with a matured approach.
3. This MOU will allow both parties to create skill oriented youth for the various technical things.

Under this MOU, Responsibilities are as mentioned below-

### Overview Project –

After extensive research, we have found that technology is updating rapidly in the world for that students should update, for that technical educational support taking from career Jyoti education for both hardware and software etc...

### Project Structure:

60 Hours training program to give the overview of all technical exams with in- depth Approach. Experienced Faculties having an experience of above examswill deliver the teaching module and at the end of the course, certificate will be awarded to all students. Detailing as follows –

Sr. No.	Name of the seminar	Hours
1	Tally Prime + GST	20 Hours
2	Computer Hardware and Networking	20 Hours
3	Computer Programming	15 Hours
4	Personality development	05 Hours
5	Certificate Distribution	60 Hours end

In Witness Where of the Parties hereto have signed this MOU.

## BRIEF REPORT OF COMPUTER TRAINING PROGRAM

07 January, 2021 at 11.00 A.M

A Training Program on various topics was organised by the IQAC team of St. Paul College, Ulhasnagar on 07 January, 2021 at 11.00 am in collaboration with Career Jyoti Education Registered under Government of India  
The program was arranged for students during the Covid pandemic.

In the beginning of the Training Prof. Amelia Antony gave an introductory speech in which she said that it's an opportunity for every student to know those skills which will be beneficial for your career and even for job purpose

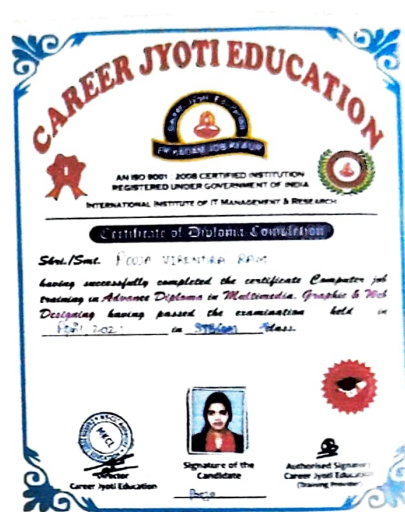

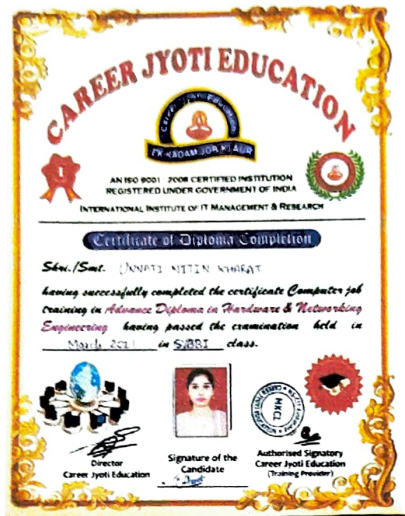

Career Jyoti Education team Director has started the session which was very interactive for all participants, After that questions and interaction session was held in which many of the students showed a positive response towards this session. Many of the students were very well interested in joining the course by taking out time during pandemic just to build skills in their portfolio.

Following sessions were conducted by career Jyoti education:

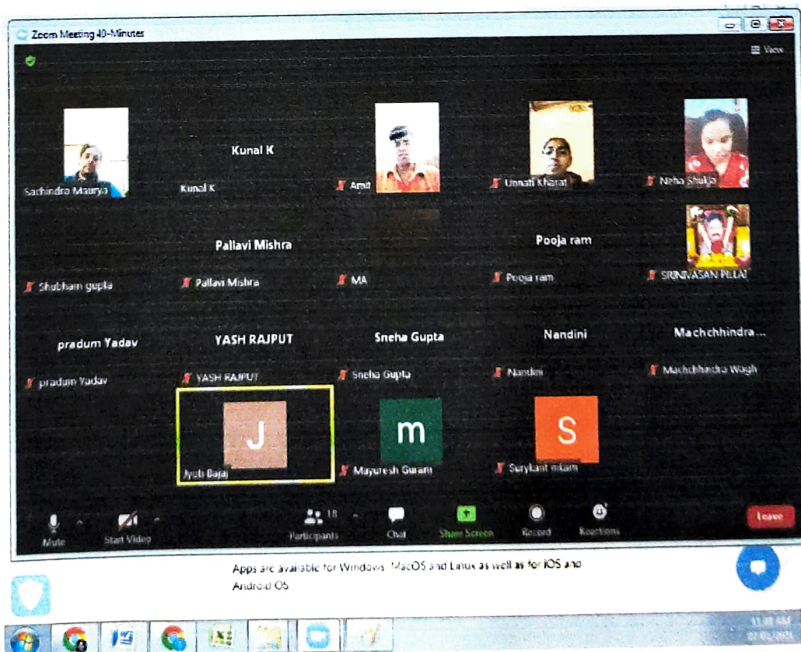

1. Computer hardware & networking
2. Computer Programming (Web Designing)
3. Personality development program
4. Tally erp

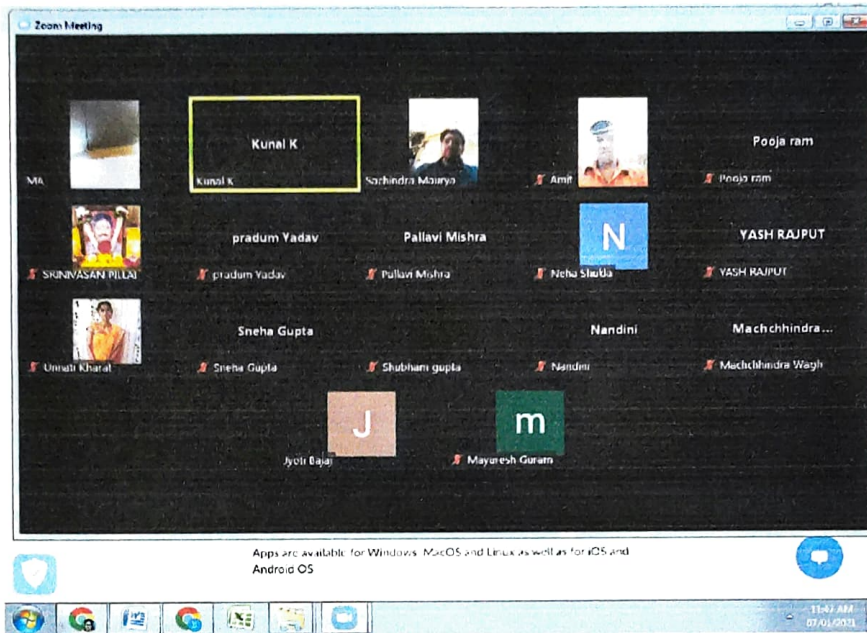

An online feedback form using Google Forms was shared among the students to gauge the effect of the Training program. Nearly 22 students have been involved in Computer hardware & Networking Program, some of our students have joined the Web Designing program. we received a good response from Students of St Paul College

The Webinar was ended by a Vote of Thanks given by Dr. Antony Lawrence, Principal of St Paul College, Ulhasnagar to Career jyoti Education and IQAC Team to arrange such a useful webinar for all of us during this pandemic situation. As per agreement between both institutes the duration was of 1 year in that career jyoti Education team have to complete their course session. As the followed the same protocol and successfully completed the courses of participant students and shared a certificate to following students.

As per the feedback of students who enrolled in courses was great and helpful provided by home college to their students for their growth in their skills. And IQAC team and Principal thanked all the participants who took their crucial time in upgrading their skills by Enrolling in the following courses.

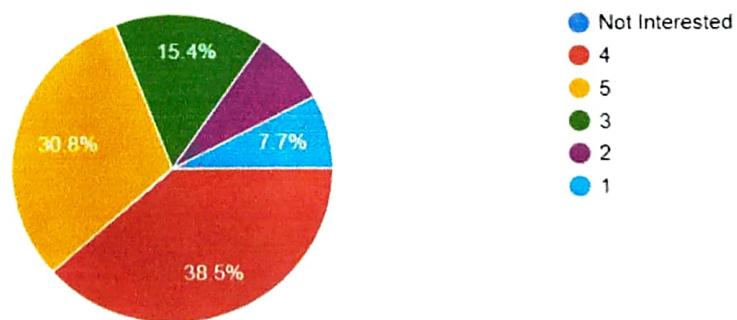

## FEEDBACK ANALYSIS OF FOLLOWING COURSES :
